of Washington street, thence southeast along the center line of Michigan avenue to the center line of Cruse street, thence south along the center line of Cruse street to the center line of the Chicago, St. Louis & Pittsburg railway tracks, thence east along the center line of said tracks to the center line of Oriental street, thence north on the center line of Oriental street to the center line of Williams street, thence east along the center line of Williams street to the center line of Reid street or State avenue, thence north along the center line of Reid street or State avenue to the center line of Washington street, thence west along the center line of Washington street to the center line of Michigan avenue near Cruse street, the place of beginning, shall constitute the eightysixth precinct.

87th Precincs.

Commencing on the center line of Michigan avenue (near Cruse street) at its intersection by the center line of Washington street, thence southeast along the center line of Michigan avenue to the center line of Cruse street, thence south along the center line of Cruse street to the center line of Meek street, thence west along the center line of Meek street to the center line of Pine street, thence south along the center line of Pine street to the center line of Louisiana street, thence west along the center line of Louisiana street to the center line of Benton street, thence north along the center line of Benton street to the center line of Washington street, thence east along the center line of Washington street to the center line of Michigan avenue, the place of beginning, shall constitute the eighty-seventh precinct.

S8th Precinct.

Commencing on the center line of Dillon street at its intersection by the center line of Meek street, thence south along the center line of Dillon street to the center line of Louisiana street, thence west along the center line of Louisiana street to the center line of Pine street, thence north along the center line of Pine street to the center line of Meek street, thence east along the center line of Meek street to the center line of Dillon street, the place of beginning, shall constitute the eighty-eighth precinct.

89th Precinct.

Commencing on the center line of Reid street or State avenue at its intersection by the center line of Williams street, thence south along the center line of Reid street or State avenue to the center line of Deloss street, thence west along the center line of Deloss street to the center line of Dillon street, thence north along the center line of Dillon street to the center line of Meek street, thence west along the center line of Meek street to the center line of Cruse street, thence north along the center line of Cruse street to the center line of the Chicago, St. Louis & Pittsburg railway tracks, thence east along the center line of said tracks to the center line of Oriental street, thence north along the center line of Oriental street to the center line of Williams street, thence east along the center line of Williams street to the center line of Reid street or State avenue, the place of beginning, shall constitute the eighty-ninth precinct. 90th Precinct.

Commencing on the center line of Reid street or State avenue at its intersection by the center line of Delose street, thence south along the center line of Reid street or State avenue to the center line of Fletcher avenue. thence west along the center line of Fletcher avenue to the center line of Linden street, thence north along the center line of Linden street to the center line of Spann avenue. thence west along the center line of Spann avenue to the center line of Dillon street, thence north along the center line of Dillon street to the center line of Deloss street, thence east along the center line of Deloss street to the center line of Reid street or State avenue, the place of beginning, shall constitute the ninetieth precinct,

91st Precinct.

Commencing on the center line of Linden street at its intersection by the center line of Spann avenue, thence south along the center line of Linden street to the center line of Pleasant street, thence west along the center line of Pleasant street to the center line of Dillon street, thence north along the center line of Dillon street to the center line of Spann avenue, thence east along the center line of Spann avenue to the center line of Linden street, the place of beginning, shall constitute the ninety-first precinct.

92d Precinct.

Commencing on the center line of Reid street or State avenue at its intersection by the center line of Fletcher avenue, thence south along the center line of Reid street or State avenue to the center line of Pleasant street, thence west along the center line of Pleasant street to the center line of Linden street, thence north along the center line of Linden street to the center line of Fletcher avenue, thence east along the center line of Fletcher avenue to the center line of Reid street or State avenue, the place of beginning, shall constitute the ninety-second precinct.

93d Precinct.

Commencing on the center line of Reid street or State avenue at its intersection by the center line of Pleasant street, thence south slong the center line of Reid street or State avenue to the center line of Prospect street. thence west along the center line of Prospect street to the center line of Dillon street, thence north along the center line of Dillon street to the center line of Pleasant street, thence east along the center line of Pleasant street to the center line of Reid street or State avenue, the place of beginning, shall constitute the ninety-third precinct.

94th Prec net.

Commencing on the center line of Noble street at its intersection by the center line of Ohio street, thence south on the center line of Noble street to the center line of Washington street, thence west along the center line of Washington street to the center line of East street, thence north along the center line of, East street to the center line of Court street thence east along the center line of Court street to the center line of Liberty street, thence north along the center line of Liberty street to the center line of Ohio street, thence east along the center line of Ohio street to the center line of Noble street, the place of beginning, shall constitute the ninety-fourth precinct.

95th Precinct.

Commencing on the center line of Liberty street at its intersection by the center line of thio street, thence south along the center line of Liberty street to the center line of Court street, thence west along the center line of Court street to the center line of East street, thence south along the center line of East street to the center line of Washington street, thence west along the center line of Washington street to the center line of New Jersey street, thence north along the center line of New Jersey street to the center line of Ohio street, thence east along the center line of Ohio street to the center line of Liberty street, the place of beginning, shall constitute the ninety-fifth precinct.

96th Precinct.

Commencing on the center line of New Jersey street at its intersection by the center line of Ohio street, thence south along the center line of New Jersey street to the center line of Washington street, thence west along the center line of Washington street to the center line of De aware street, thence north along the center line of Delaware street to the center line of Ohio street, thence east along the center line of Ohio street to the center line of New Jersey street, the place of beginning, shall constitute the ninety-sixth precinct.

97th Precinct.

Commencing on the center line of Delaware street at its intersection by the center line of Ohio street, thence south along the center line of Delaware street to the center line of Washington street, thence west along the center line of Washington street to the center line of Illinois street, thence north along the center line of Illinois street to the center line of Market street, thence east along the center line of Market street to the center line of Circle street, thence along the center line of the north side of Circle street to the center line of Market street, thence east along the center line of Market street to the center line of Pennsylvania street, thence north along the center line of Pennsylvania street to the center line of Ohio street, thence east along the center line of Ohio street to the center line of Delaware street, the place of beginning, shall constitute the ninety-seventh precinct.

98th Precinct.

Commencing on the center line of East street at its intersection by the center line of Wash-

ington street, thence south along the center line of East street to the center line of Union railway tracks, thence southwest along the center line of said tracks to the center line of Delaware street, thence north along the center line of Delaware street to the center line of Washington street, thence east along the center line of Washington street to the center line of East street, the place of beginning. shall constitute the ninety-eighth precinct.

99th Precinct.

Commencing on the center line of Delaware street at its intersection by the center line of Washington street, thence south along the center line of Delaware street to the center line of the Union railway tracks, thence southwest along the center line of said tracks to the center line of Louisiana street, thence west along the center line of Louisiana street to the center line of McCrea street, thence north along the center line of McCrea street to the center line of Jackson place, thence west along the center line of Jackson place to the center line of Illinois street, thence north along the center line of Illinois street to the center line of Washington street, thence east along the center line of Washington street to the center line of Delaware street, the place of beginning, shall constitute the ninety-ninth precinct

100th Precinct.

Commencing on the center line of Noble street at its intersection by the center line of Washington street, thence south along the center line of Noble street to the center line of Georgia street, thence west along the center line of Georgia street to the center line of East street, thence worth along the center line of East street to the center line of Washington street, thence east along the center line of Washington street to the center line of Nobie street, the place of beginning, shall constitute the one-hundredth precinct.

101st Precinct.

Commencing on the center line of Benton street at its intersection by the center line of Washington street, thence south along the center line of Benton street to the center line of Louisians street, thence west along the center line of Louisiana street to the center line of East street, theuce north along the center line of East street to the center line of Georgia street, thence east along the center line of Georgia street to the center line of Noble street, thence north along the center line of Noble street to the center line of Washington street, thence east along the center line of Washington street to the center line of Benton street, the place of beginping, shall constitute the one-hundred-andfirst precinct.

102d Precinct. Commencing on the center line of East street at its intersection by the center line of the Union railway tracks, thence south along the center line of East street to the center line of South street, thence west along the center line of South street to the center line of New Jersey street, thence north along the center line of New Jersey street to the center line of Virginia avenue, thence northwest along the center line of Virginia avenue to the center line of the Union railway tracks, thence northeast along the center line of said tracks to the center line of East street, the place of beginning, shall constitute the one-hundred-and-second precinct.

103d Precinct.

Commencing on the center line of Virginia avenue at its intersection by the center line of the Union railway tracks, thence southeast along the center line of Virginia avenue to the center line of New Jersey street. thence south along the center line of New Jersey street to the center line of South street, thence west along the center line of South street to the center line of Illinois street, thence north along the center line of Illinois street to the center line of Jackson place, thence east along the center line of Jackson place to the center line of McCrea street, thence south a ong the center line of MoCrea street to the center line of Louisians street, thence east along the center line of Louisiana street to the center line of the Union railway tracks, thence northeast along the center line of the Union railway tracks across Delaware street to the center line of Virginia avenue, the place of beginning, shall constitute the one-hundred-andthird precinct.

104th Precinct.

Commencing on the center line of Illinois street at its intersection by the center line of Ohio street, thence south along the center line of Illinois street to the center line of Washington street, thence west along the center line of Washington street to the center line of Missouri street, thence north along the center line of Missouri street and the canal to the center line of Ohio street, thence east along the center line of Ohio street to the center line of Illinois street, the place of beginning, shall constitute the onehundred-and-fourth precinct.

105th Precinct.

Commencing on the center line of Illinois street at its intersection by the center line of Washington street, thence south along the center line of Illinois street to the center line of Maryland street, thence west along the center line of Maryland street to the center line of Mississippi street, thence north along the center line of Mississippi street to the center line of Washington street, thence east along the center line of Washington street to the center line of Illinois street, the place of beginning, shall constitute the onehundred-and-fifth precinct.

106th Precinct.

Commencing on the center line of Mississippi street at its intersection by the center line of Washington street, thence south along the center line of Mississippi street to the center line of Maryland street, thence east along the center line of Maryland street to the center line of Kentucky avenue, thence southwest along the center line of Kentucky avenue to the center line of Georgia street. thence west along the center line of Georgia street to the center line of Missouri street, thence north along the center line of Missouri street to the center line of Washington street, thence east along the center line of Washington street to the center line of Mississippi street, the place of beginning, shall constitute the one-hundred-and-sixth precinct.

107th Precinct.

Commencing on the center line of Illinois street at its intersection by the center line of Maryland street, thence south along the center line of Illinois street to the center line of Louisiana street, thence west along the center line of Louisiana street to the center line of Tennessee street, thence south along the center line of Tennessee street to the center line of South street, thence west along the center line of South street to the center line of Missouri street, thence north along the center line of Missouri street to the center line of Georgia street, thence east along the center line of Georgia treet to the center line of Kentucky avenue, thence northeast along the center line of Kentucky avenue to the center line of Maryland street, thence east along the center line of Maryland street to the center line of lilinois street, the place of beginning, shall constitute the onehundred-and-seventh precinct.

108th Precinct.

Commencing on the center line of Illinois street at its intersection by the center line of Louisians street, thence south along the center line of Illinois street to the center line of Merrill street, thence west along the center line of Merrill street to the center line of Tennessee street, thence north along the center line of Tennessee street to the center line of Louisiana street, thence east along the center line of Louisiana street to the center line of Illfnois street, the place beginning, shall constitute the onehundred-and-eighth precinct.

109th Precinct.

Commencing on the center line of Tennessee street at its intersection by the center line of South street, thence south along the center line of Tennessee street to the center line of Merrill street, thence west along the center line of Merrill street to the center line of Missouri street, thence north along the center line of Missouri street to the center line of South street, thence east along the center line of South street to the center line of Tennessee street, the place of beginning, shall constitute the one-hundred-and-ninth precinct.

110th Precinct.

Commencing on the center line of Illinois street at its intersection by the center line of Merrill street, thence south along the center line of Illipois street to the center line of McCarty street, thence west along the center line of McCarty street to the center line of

Missouri street, thence north slong the center line of Missouri street to the center line of Merrill street, thence east along the center line of Merrill street to the center line of Illinois street, the place of beginning, shall constitute the one-hundred-and-tenth precinct.

11 th Precinct. Commencing on the center line of Missouri street at its intersection by the center line of Maryland street, thence south along the center line of Missouri street to the center line of South street, thence west along the center line of South street to the center line of West street, thence north along the center line of West street to the center line of Maryland street, thence east along the center line of Maryland street to the center line of Missouri street, the place of beginning, shall constitute the one-hundred-and-eleventh precinct.

112th Precinct.

Commencing on the center line of West street at its intersection by the center line of Maryland street, thence south along the center line of West street to the center line of Kentucky avenue, thence southwest along the center line of Kentucky avenue to the center line of east bank of White river, thence north along and with the meanderings of the east bank of White river to the center line of Maryland street, thence east along the center line of Maryland street to the center line of West street, the place of beginning, shall constitute the one-hundredand-twelfth precinct.

113th Precinct.

Commencing on the center line of Missouri street at its intersection by the center line of South street, thence south along the center line of Missouri street to the center line of Merrill street, thence west along the center line o Merrill street to the center line of Kenti sky avenue, thence northeast along the center line of Kentucky avenue to the center line of South street, thence east along the center line of South street to the center line of Missouri street, the place of beginning, shall constitute the one-hundredand-thirteenth precinct.

114th Precinct.

Commencing on the center line of Missouri street at its intersection by the center line of Merrill street, thence south along the center line of Missouri street to the center line of McCarty street, thence west along the center line of McCarty street and in a direct line to the east bank of White river, thence northwest along and with the meanderings of the east bank of White river to the center line of Kentucky avenue, thence northeast along the center line of Kentucky avenue to the center line of Merrill street, thence east along the center line of Merrill street to the center line of Missouri street, the place of beginning, shall constitute the one-hundredand-fourteenth precinct.

115th Precinct.

Commencing on the center line of East street at its intersection by the center line of South street, thence south along the center line of East street to the center line of Merrill street, thence west along the center line of Merrill street to the center line of Alabama street, thence north along the center line of Alabama street to the center line of South street, thence east along the center line of South street to the center line of East street, the place of beginning, shall constitute the one-hundred-and-fifteenth pre-

116th Precinct.

Commencing at the intersection of the center line of A abama street by the center line of South street, thence south along the center line of Alabama street to the center line of Merrill street, thence west along the center line of Merrill street to the center line of the J., M. & I. R. R. tracks, thence north along the center line of J., M. & I. tracks to the center line of South street, thence east along the center line of South street to the center line of Alabama street, the place of beginning, shall constitute the one-hundred-and-sixteenth precinct.

117th Precinct.

Commencing on the center line of the J., M. & I. R. R. tracks at its intersection by the center line of South street, thence south along the center line of the J., M. & I. R. R. tracks to the center line of Merrill street, thence west along the center line of Merrill street to the center line of Illinois street, thence north along the center line of Illinois street to the center line of South street, thence east along the center line of South street to the center line of J., M. & I. R. R. tracks, the place of beginning, shall constitute the onehundred-and-seventeenth precinct,

118th Precinct.

Commencing on the center line of East street at its intersection by the center line of Merrill street, thence south along the center line of East street to the center line of McCarty street, thence west along the center line of McCarty street to the center line of Alabama street, thence north along the center line of Alabams street to the center line of Merrill street, thence east along the center line of Merrill street to the center line of East street, the place of beginning, shall constitute the one-hundred-and-eighteenth precinct.

119th Precinct.

Commencing on the center line of Alabama street at its intersection by the center line of Merrill street, thence south along the center line of Alabama street to the center line of McCarty street, thence west along the center line of McCarty street to the center line of Madison avenue, thence north along the center line of Madison avenue to the center line of Merrill street, thence east along the center line of Merrill street to the center line of Alabama street, the place of beginning. shall constitute the one-hundred-and-nineteenth precinct.

120th Precinct.

Commencing on the center line of Union street at its intersection by the center line of Merrill street, thence south along the center line of Union street to the center line of McCarty street, thence west along the center line of McCarty street to the center line of Illinois street, thence north along the center line of Illinois street to the center line of Merrill street, thence east along the center line of Merrill street to the center line of Union street, the place of beginning, shall constitute the one-hundred-and-twentieth pre-

121st Precinct. Commencing on the center line of Union street, at its intersection by the center line of McCarty street, thence south along the center line of Union street to the center line of Wilkins street, thence west along the center line of Wilkins street to the center line of Illinois street, thence north along the center line of Illinois street to the center line of McCarty street, thence east along the center line of McCarty street to the center line of Union street, the place of beginning, shall constitute the one-hundred-and-twentyfirst precinct.

122d Precinct.

Commencing on the center line of Madison avenue at its intersection by the center line of Union street, thence southeast along the center line of Madison avenue to the center line of Wilkins street, thence west along the center line of Wilkins street to the center line of Union street, thence north along the center line of Union street to the center line of Madison avenue, the place of beginning, shall constitute the one-hundred-and-twentysecond precinct.

123d Precinct.

Commencing on the center line of Madison avenue at its intersection by the center line of Wilkins street, thence south along the center line of Madison avenue to the center line of Morris street, thence west along the cepter line of Morris street to the center line of Illinois street, thence north along the center line of Illinois street to the center line of Wilkins street, thence east along the center line of Wilkins street to the center line of Madison avenue, the place of beginning, shall constitute the one-hundred-and-twentythird precinct.

124th Precinct.

Commencing on the center line of High street at its intersection by the center line of Mc-Carty street, thence south along the center line of High street to the center line of Coburn street, thence west along the center line of Coburn street to the center line of Madison avenue, thence northwest along the center line of Madison avenue to the center line of McCarty street, thence east along the center line of McCarty street to the center line of High street, the place of beginning. shall constitute the one-hundred-and-twentyfourth precinct.

125th Precinct.

Commencing on the center line of East street at its intersection by the center line of Mc-Carty street, thence south along the center line of East street to the center line of Morris street, thence west along the center line of Morris street to the center line of Madison avenue, thence northwest along the center line of Madison avenue to the center line of Coburn street, thence east along the center line of Coburn street to the center line of High street, thence north along the center line of High street to the center line of Mo-Carty street, thence east along the center line of McCarty street to the center line of East street, the place of beginning, shall constitute the one-hundred-and-twenty-fifth pre-

126th Precinct. Commencing on the center line of Noble street at its intersection by the center line of Louisiana street, thence south along the center line of Noble street to the center line of Virginia avenue, thence northwest along the center line of Virginia svenue to the center line of East street, thence north along the center line of East street to the center line of Louisiana street, thence east along the center line of Louisiana street to the center line of Noble street, the place of beginning, shall constitute the one-hundred-and-twentysixth precinct.

127th Precinct. Commencing on the center line of Pine street at its intersection by the center line of Louisiana street, thence south along the center line of Pine street to the center line of Harrison street, thence west along the center line of Harrison street to the center line of Pine street, thence southwest along the center line of Pine street to the center line of Virginia avenue at the intersection by the center line of Noble street, thence north along the center line of Noble street to the center line of Louisiana street, thence east along the center line of Louisiana street to the center line of Pine street, the place of beginning, shall constitute the one-hundredand-twenty-seventh precinct.

128th Precinct.

Commencing on the center line of Dillon street at its intersection by the center line of Louislana street, thence south along the cente line of Dillon street to the center line of Fletcher avenue, thence northwest along the center line of Fletcher avenue to the center line of Pine street, thence northeast along the center line of Pine street to the center line of Harrison street, thence east along the center line of Harrison street to the center line of Pine street, thence north along the center line of Pine street to the center line of Louisiana street, thence east along the center line of Louisiana street to the center line of Dillion street, the place of beginning, shall constitute the one - hundred - and - twentyeighth precinct.

129th Precinct.

Commencing on the center line of Fletcher avenue at its intersection by the center line of Pine street, thence southeast along the center line of Fletcher avenue to the center line of the first alley east of Cedar street, thence southwest along the center line of said alley to the center line of Virginia avenue, thence northwest along the center line of Virginia avenue to the center line of Pine street, thence northeast along the center line of Pine street to the center line of Fletcher avenue, the place of beginning, shall constitute the one-hundred-and-twenty-ninth pre-

130th Precinct.

Commencing on the center line of Dillon street at its intersection by the center line of Fletcher avenue, thence south along the center line of Dillon street to the center line of Virginia avenue, thence northwest along the center line of Virginia avenue to the center line of the first alley east of Cedar street, thence northeast along the center line of said alley to the center line of Fletcher avenue, thence southeast along the center line of Flatoner avenue to the center line of Dillon street, the place of beginning, shall constitute the one-hundred-and-thirtieth precinct.

131st Precinct.

Commencing on the center line of Virginia avenue at its intersection by the center line of East street, thence southeast along the center line of Virginia avenue to the center line of Gimbel street, thence west along the center line of Gimbel street to the center line of Greer street, thence south along the center line of Greer street to the center line of Mo-Carty street, thence west along the center line of McCarty street to the center line of East street, thence north along the center line of East street to the center line of Virginia avenue, the place of beginning, shall constitute the one-hundred-aud-thirty-first precinct.

132d Precinct.

Commencing on the center line of Virginia avenue at its intersection by the center line of Gimbel street, thence southeast along the center line of Virginia avenue to the center line of Bradshaw street, thence southwest and west along the center line of Bradshaw street to the center line of Sullivan street, thence south along the center line of Sullivan street to the center line of Buchanan street. thence west along the center line of Buchapan street to the center line of Beaty street, thence north along the center line of Beaty street to the center line of McCarty street, thence west along the center line of McCarty street to the center line of Greer street, thence north along the center line of Greer street to the center line of Gimbel street, thence east along the center line of Gimbel street to the center line of Virginia avenue, the place of beginning, shall constitute the one-hundred-and-thirty-second precinct.

133d Precinct.

Commencing on the center line of Beaty street at its intersection by the center line of Mc-Carty street, thence south along the center line of Beaty street to the center line of Buchanan street, thence east along the center line of Buchanan street to the center line of Wright street, thence south along the center line of Wright street to the center line of Dougherty street, thence west along the center line of Dougherty street to the center line of East street, thence north along the center line of East street to the center line of McCarty street, thence east along the center line of McCarty street to the center line of Beaty street, the place of beginning, shall constitute the one-hundred-and-thirty-third precinct.

134th Precinct. Commencing on the center line of Virginia avenue at its intersection by the center line of Bradshaw street, thence southeast along the center line of Virginia avenue to the center line of Coburn street, thence west along the center line of Coburn street to the center line of Wright street, thence north along the center line of Wright street to the center line of Buchanan street, thence west along the center line of Buchanan street to the center line of Sullivan screet, thence north along the center line of Sullivan street to the center line of Bradshaw street, thence eust and portheast along the center line of Bradshaw street to the center line of Virginia avenue. the place of beginning, shall constitute the one-hundred-and-thirty-fourth precinct.

135th Precinct.

Commencing on the center line of Dougherty street at its intersection by the center line of Wright street, thence south along the center line of Wright street to the center line of Sanders street, thence west along the center line of Sanders street to the center line of East street, thence north along the center line of East street to the center line of Morris street, thence west along the center line of Morris street to the center line of East street, thence north along the center line of East street to the center line of Dougherty street, thence east along the center line of Dougherty street to the center line of Wright street, the place of beginning, shall constitute the one-hundred-and-thirty-fifth precinct.

136th Precinct.

Commencing on the center line of Virginia avenue at its intersection by the center ine of Coburn street, thence southeast slong the center line of Virginia avenue to the center line of Shelby street, thence south along the center line of Shelby street to the center line of Sanders street, thence west along the center line of Sanders street to the center line of Wright street, thence north along the center line of Wright street to the center line of Coburn street, thence east along the center line of Coburn street to the center line of Virginia avenue, the place of beginning,

shall constitute the one-hundred-and-thirtysixth precipet.

137th Precinct.

Commencing on the center line of Auburn street at its intersection by the center line of Prospect street, thence south along the center line of Auburn street to the center line of the Belt railroad tracks, thence south and southwest along the center line of said tracks to the center line of Reid street or State avenue thence north along the center line of Reid street or State avenue to the center line of Prospect street, thence east along the center line of Prospect street to the center line of Auburn street, the place of beginning, shall constitute the one-hundred-and-thirty-seventh precinct.

138th Precinct. Commencing on the center line of Reid street or State avenue at its intersection by the center line of Prospect street, thence south along the center line of Reid street or State avenue to the center line of Cypress street, thence west along the center line of Cypress street to the center line of Spruce atreet, thence north along the center line of Spruce street to the center line of Prospect street, thence east along the center line of Prospect street to the center line of Reid street or State avenue, the place of beginning, shall constitute the one-hundred-and-thirty-eighth precinct.

139th Precinct.

Commencing on the center line of Spruce street at its intersection by the center line of Prospect street, thence south along the center line of Spruce street to the center line of Cypress street, thence west along the center line of Cypress street to the center line of Linden street, thence north along the center line of Linden street to the center line of Prospect street, thence east along the center line of Prospect street to the center line of Spruce street, the place of beginning, shall constitute the one-hundred-and-thirty-ninth precinct.

140th Precinct.

Commencing on the center line of Linden street at its intersection by the center line of Prospect street, thence south along the center line of Linden street to the center line of Cypress street, thence west along the center line of Cypress street to the center line of Shelby street, thence north along the center line of Shelby street to the center line of Prospect street, thence east along the cen ter line of Prospect street to the center line of Linden street, the place of beginning, shall constitute the one-hundred-and-fortieth precinct.

141st Precinct. Commencing on the center line of Reid street or State avenue at its intersection by the center line of Cypress street, thence south along the center line of Reid street or State avenue in a direct line to the center line of the Belt railroad tracks, thence south and west along the east and south corporation line of the city of Indianapolis to the center line of Shelby street, thence north along the center line of Shelby street to the center line of Cypress street, thence east along the center line of Cypress street to the center line of Reid street or State avenue, the place of beginning, shall constitute the one-hundred-and-forty-first precinct.

142d Precinct. Commencing on the center line of Shelby street at its intersection by the center line of Sanders street, thence south along the center line of Shelby street to the center line of Morton street, thence west along the center line of Morton street to the center line of East street, thence north along the center line of East street to the center line of Sanders street, thence east along the center line of Sanders street to the center line of Shelby street, the place of beginning, shall constitute the one-hundred-and-forty-second precinct.

143d Precinct.

Commencing on the center line of Shelby street at its intersection by the center line of Morton street, thence south along the center line of Shelby street to the south corporation line of the city of Indianapolis, thence west along the said south corporation line of said city to the center line of Madison avenue, thence north along the center line of Madison avenue to the center line of Raymond street, thence east along the center line of Raymond street to the center line of East street, thence north along the center line of East street to the center line of Morton street, thence east along the center line of Morton street to the center line of Shelby street, the place of beginning, shall constitute the one-hundred-and-forty-third pre-

144th Precinct.

Commencing on the center line of East street at its intersection by the center line of Lincoln lane, thence south along the center line of East street to the center line of Raymond street, thence west along the center line of Raymond street to the center line of Madison avenue, thence north along the center line of Madison avenue to the center line of Lincoln lane, thence east along the center line of Lincoln lane to the center line of East street, the place of beginning, shall constitute the one-hundred-and-forty-fourth 145th Precinct.

Commencing on the center line of East street at its intersection by the center line of Dunlap street, thence south along the center line of East street to the center line of Liccoln lane, thence west along the center line of Lincoln lane to the center line of Madison avenue, thence north along the center line of Madison avenue to the center line of Dunlap street, thence east along the center line of Dunlap street to the center line of East street, the place of beginning, shall consti tute the one-hundred-and-forty-fifth precinct.

146th Precinct.
